The Investigators are New Zealand's most experienced Private Investigators, serving New Zealand since 1985. Our team of highly experienced Investigators have an extensive knowledge and skill-set providing individuals, businesses and government agencies with the facts so that they can make informed decisions. We specialise in all forms of Private, Business and Legal Investigations including; personal and domestic matters such as infidelity and childcare investigations, data recovery and forensics, fraud investigations, workplace theft, background checks, corruption, due diligence and locating missing persons and witnesses. In the legal sector we provide a rapid response to litigation disputes, trademark infractions and witness locating and briefing in both criminal and civil cases. We have been serving legal documents for over 25 years and handle overseas document serving in nearly every corner of the world. No matter what it relates to, your enquiry will be treated with complete confidentiality. You will find we have the quiet confidence that comes with being New Zealand's most well-known, capable and professional Private Investigators. We work to protect our clients from threats and risks to themselves, their business, property, assets and information. Email: info@theinvestigators.co.nz.
