California Court Services has been in business for over 20 years, giving us the experience and skill to handle your process serving and legal support needs. We provide our clients with unparalleled service to create an easier legal support process. Our process servers work throughout the state of California. Our nationwide network of process servers also ensure that your papers are served where you need as we can forward service anywhere in the U.S. We take pride in our high-level of customer service to all our clients. We understand that our clients depend on timely notification of service status on their cases, and we deliver this information. We provide on-site pictures of the subjects residence, cars and return all necessary paperwork, correctly and efficiently.
